

We have worked closely with Hampshire County Council, Southampton City Council and Test Valley Borough Council to ensure the routes are suitable and free from other roadworks.

M27 Romsey Road Bridge replacement scheme

Weekend closure information

September 2018

What will be happening?

We are replacing the Romsey Road bridge on the A3057 that spans the M27 in both directions between junctions 3 and 4.

To replace the bridge, we will need to close the M27 eastbound and westbound between junctions 3 and 4 over three separate weekends. These full closures are necessary for the safe and efficient demolition and installation of the new bridge.

Due to the current bridge being made up of two individual bridges, we will be demolishing it in stages.

Closure weekends

- 22:00 Friday 28 September until 05:00
Monday 1 October 2018
Demolition of the first bridge
- 22:00 Friday 26 April until 05:00
Monday 29 April 2019
New bridge installation
- 22:00 Friday 18 October until 05:00
Monday 21 October 2019
Demolition of the second bridge

Diversion routes

During the weekend closures, there will be two signed motorway diversions. One diversion will be for cars and a second for high-sided vehicles. Each of these are shown on the maps within this leaflet.
