

## A2 Bean and Ebbsfleet Junctions Improvements

### Pre-Inquiry Meeting Agenda

Wednesday 7<sup>th</sup> August 2019 commencing at 10am

Venue: The Eastgate Centre, 141 Springhead Parkway, Northfleet,  
Gravesend, Kent, DA11 8AD

The purpose of the Pre- Inquiry Meeting is to enable views to be put to the Inspector about the way in which the Scheme is to be examined and to assist with the smooth running of the Inquiry. At this stage, the Inspector is looking at the procedure, and not the merits of the Scheme. The merits of the Scheme will only be considered once the Inquiry commences on 1 October 2019. The agenda indicates the areas the Inspector wishes to discuss at the meeting, but if there are other issues relating to the procedure at the inquiry there is no reason why they cannot be discussed as well.

---
