15 January 2020

M20 Junction 10a Scheme: Junction 10 coast bound off slip road closure
21:00 hrs on 15 January to 06:00 hrs on 27 January 2020

As part of the improvement works for the junction 10a scheme, new motorway road signs are being placed at the junction 10 coast bound off slip. This involves the provision of concrete bases for the signs alongside the junction 10 coast bound off slip. To protect the workforce, this slip road unfortunately needs to be closed during the construction of the bases.

The junction 10 coast bound off slip road will be closed from 21:00 on 15 January to 06:00 on 27 January 2020, with traffic being diverted along to junction 10a coast bound off slip road and temporary signs taking vehicles along the new link road back to the junction 10 roundabout.

The equipment we use means some disturbance is unavoidable, but we will make every effort to minimise any unnecessary noise. Furthermore, those working on site are briefed on working responsibly in the local community.

We hope this information is helpful and we apologise in advance for any inconvenience these works may cause, however if you have any questions please contact us by visiting our scheme webpage at www.highwaysengland.co.uk/M20J10a, email a member of our Project Team at M20J10AImprovements@highwaysengland.co.uk or call our 24 Hour Customer Contact Centre on 0300 123 5000 for further information.

Yours sincerely

Thomas Selby

Project Manager
